This information is not used for marketing or for any purpose unrelated to your internship.

D. Basis for processing. Some of the information above is collected because it is reasonably necessary to administer the internship or process your stipend/payment, or because it falls within a legitimate use recognised under applicable law (for example, where you voluntarily provide information for a specified purpose such as receiving payment). Other processing, as identified in Section 8 of this form, is based on your specific consent. Section 8 identifies which acknowledgements are a confirmation of notice and which are a specific consent.

E. Sharing with third parties. Your personal data may be shared, strictly on a need-to-know basis and only where necessary for the purposes above, with the following categories of recipients:

- banks and payment providers, for stipend disbursement;

F. Data security. Pixenox takes reasonable security safeguards appropriate to the nature of the personal data collected, consistent with applicable law, to protect it against unauthorised access, disclosure, alteration, or loss. No method of storage or transmission can be guaranteed to be completely secure, and this notice does not represent or promise absolute security.

G. Data retention. Your personal data will be retained only for as long as reasonably necessary for the purpose for which it was collected, and/or as required under applicable law, including tax, accounting, contractual, dispute-resolution

or record-keeping requirements, subject to Pixenox's applicable retention policy. Once no longer required, your data will be securely deleted, anonymised, or otherwise disposed of, subject to applicable legal requirements.

H. Your rights. Subject to applicable law, including the Digital Personal Data Protection Act, 2023 and the rules made thereunder, as applicable and to the extent in force from time to time, you may have rights to access, correct, update, or request erasure of your personal data, to seek grievance redressal from Pixenox, and, where consent is the basis of processing, to withdraw such consent without affecting the lawfulness of processing already carried out. The availability and scope of these rights, and the mechanisms for exercising them, depend on which provisions of the DPDP framework are in force at the relevant time and on the facts of the specific processing activity; not every right may be capable of being exercised in every circumstance.

I. Regulatory note. The Digital Personal Data Protection Rules, 2025 were notified by the Government of India in November 2025 and are being brought into force in phases; not all provisions are in effect on the same date. This notice has been prepared with reference to the Digital Personal Data Protection Act, 2023 and the Digital Personal Data Protection Rules, 2025, as applicable and to the extent in force from time to time, and will be read and applied accordingly.

J. Contact. For questions about this notice, or to exercise your data protection rights, please contact Pixenox using the Privacy/Data Protection Contact or Grievance Contact listed on the first page of this form.

SECTION 4 — TAX / STATUTORY INFORMATION

The fields below are collected only where genuinely relevant. Providing a stipend of any particular amount does not, by itself, automatically create a specific tax obligation; this depends on applicable law and the facts of your engagement.

Note: Pixenox does not automatically classify interns as “employees” for tax, labour, or statutory purposes by virtue of this form. Such classification depends on the facts of the engagement and applicable law, and where relevant, will be addressed in the Internship Agreement or a separate statutory document, and/or by Pixenox's accountants or tax advisers.

Failure to provide the required payment information, or providing inaccurate information, may prevent or delay payment; this is a practical and administrative consequence of incomplete information, and is not conditioned on, or dependent solely upon, your consent under this Section 8.

D. Emergency Contact

☐ I confirm the statement in Section 5 regarding the emergency contact details I have provided, and I consent to Pixenox retaining and using those details solely to contact the named person(s) in a genuine emergency during my internship.

You may decline any consent above that is not necessary for the internship to proceed. Declining consent in (B) may affect Pixenox's ability to complete certain statutory filings that depend on the information you have chosen not to authorise for sharing.
